BRFC Multi Member Discount is accessible for parents/carers to apply for when they have more than one child paying and playing at the club. If you wish to apply, please complete the form below. To be able to apply, you must have completed a gift aid form (you don't need to be eligible for gift aid but you must have completed the form) and your fees must be paid into the clubs central account by standing order.

Assuming your application is successful, you will receive a £5 monthly discount for your first additional (more than one) child that you have at the club. For example, if you have a child that plays and pays (£35) in the 2002's and another child who plays and pays (£30) for the 2008's, your younger child will receive a £5 per month discount. If you have a 3rd child at the club, they will receive a £10 discount on their fees meaning for anyone with 3 children at the club, you will receive a £15 a month discount. A 4th child at the club would receive £15 a month discount. Should payments for multi members be paid for by different people e.g. one by a mum and one by a dad, the discount will be applied to the youngest child. Once you receive confirmation (you must put an email address for that purpose) that you have been successful, you should immediately reduce your standing order as appropriate.

By signing below, I confirm that I have children for whom I am the parent/carer and I wish to apply for the clubs multi member discount scheme. I confirm that I understand the terms of the scheme as described above and I confirm that should the circumstances change in relation to the number of members I have at the club, I will inform the club (using the contact details below) straight away. I understand that failure to complete the form correctly could result in me losing out on discount.
